Winter Park Award Program Honors the Achievement

WINTER PARK March 4, 2015 -- SPS Industrial Inc has been selected for the 2015 Best of Winter Park Award in the Industrial Equipment & Supplies category by the Winter Park Award Program.

Each year, the Winter Park Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Winter Park area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2015 Winter Park Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Winter Park Award Program and data provided by third parties.
